LETTER FROM THE PRESIDENT

Dear Friend of St. Francis de Sales School:

Last summer, the six student leaders who attended the National Salesian Leadership Camp returned with a theme for the school year. Taking a much longer quote from St. Francis, they decided on the concise five-word maxim, "Change You, Change the World." The students have used it throughout this school year to regularly call to mind the need for personal change, which leads to greater change.

As I reflect on our school and our progress, I see the same correlation. Through our strategic plan, Boldly Beyond, we have set a course for transformation that allows us to see a greater change. Each of the elements of the plan asked for change in how we do things. Admissions and Marketing Initiatives are changing the way we engage prospective students and tell our story. We also have gained critical research to better understand our audience and community. Our Development Initiative has seen a complete redesign of the entire department which creates better efficiency to serve our generous benefactors. The Alumni Initiative strives for deeper connections between Alumni and the School. The Balance Sheet Capitalization Initiative has allowed us to streamline our financial systems and processes which has proven critical in our efforts to effectively forecast and project enrollment, financial aid, and overall budget. A Facilities Initiative which has many potential components, has been part of a continual study. As a result of what we have learned from the new data obtained from the continual studies, we have been able to forecast and can plan better for our future, rather than react to trends, both in terms of number of students and programming.

Since we began these changes of Boldly Beyond, we have seen much fruit, which in turn creates a greater change in our world. Each of the last three years, we have experienced growth in our enrollment; the only area Catholic school to do so. Our seventh and eighth grades, which we added just two years ago, have tripled in size! Our admissions team reports that our incoming freshmen class could exceed 180 young men. The combined impact of these growth elements creates an opportunity to rethink our physical space and footprint. Who would have thought we would be discussing the need for more classroom space just a few years ago?

The biggest change brought about in the Boldly Beyond plan is our Salesian Leadership Initiative and this year it has been launched in a big way. In addition to three grade-level modules in learning, in November we held what will become an annual Global Salesian Leadership Symposium at the Seagate Center. Many prominent alumni from near and far reconnected with our upperclassmen to share their experience of Salesian virtues in their professional and personal lives. The buzz from this single day event has been momentous! With a full-time director of the SLI on staff now, we can engage our students in the everyday opportunities to grow in humble confidence, authentic relationships and servant leadership.

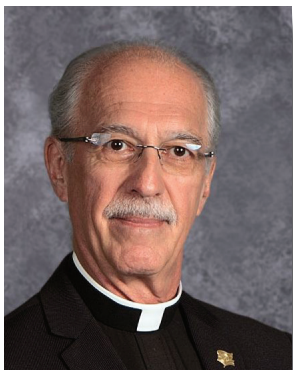

We continue to experience tremendous success in our academic endeavors and our athletic teams. A couple athletes from the Class of 2017 experienced the very rare feat of being in the state semifinals or finals in hockey and lacrosse for seven of the eight seasons they competed!

At St. Francis, we are leading the way; revolutionizing the manner students learn while also teaching them to be who they are, and be that well. We work every day to educate young men through the four pillars of St. Francis de Sales. Our students are equipped to lead their communities academically, socially, spiritually, and physically. Although I witnessed much success this year, our pursuance of excellence never stops. Your generous support of our school and its mission is changing lives and transforming our school, which in turn is changing our world.

Peace,

A handwritten signature in black ink that reads "G. N. Rose OSFS".

LETTER FROM FOUNDATION CHAIRMAN

Dear Friend of St. Francis de Sales School:

As you read through this Annual Report you will readily realize how much good has happened at St. Francis over the past year. Having served at this school since 1974, I am in humble awe at how much God has blessed us through the years. While from its beginning St. Francis has been an excellent school, I attest from personal experience that every year we become a more exceptional Catholic school. Among God's greatest blessings, of course, are the good people whom He has sent to collaborate with us Oblates of St. Francis de Sales giving of their time, treasure, and talent.

It is now more than two years since I retired from the position of President of our School. Having done so, my primary work at this time is to serve as Chairman of our Foundation and assist in our development efforts. The primary purpose of our Foundation is very simple: To assist the educational programs offered by St. Francis de Sales School and to assist in providing funds for scholarships and tuition assistance.

The Foundation began very modestly in the 1980's with a corpus of less than \$300,000. Total scholarship and tuition assistance awarded then was only \$16,000; today it is close to \$2 million. Over the years we have grown the Foundation to a corpus of \$12,519,820. While the growth has been dramatic, nevertheless with a five percent distribution policy, the same as in the mid 1980's, there remains a significant shortfall for the scholarship and tuition assistance needs of our students and families. A corpus of \$20 million will provide a \$1 million annual distribution; we need a distribution of \$2 million to cover our needs. We are optimistic, knowing that seventy-seven of our

alumni and friends have already made an unrealized planned gift to the Foundation and we are working to secure even more.

Oftentimes I have said that our School, with a primary purpose of guiding boys on the journey to becoming Christian Gentlemen, is more important today than in 1955 when doors were first opened to students. Sixty-three years ago this great enterprise was undertaken with the grace of God and the generosity of benefactors. More than a half century later, we continue to flourish with the grace of God and the generosity of our benefactors.

Thank you for all that you do to partner with us in our pursuit of excellence and to ensure this great mission for generations to come.

Sincerely in St. Francis de Sales,

(Rev.) Ronald Olszewski, O.S.F.S.

2016-2017

Contributions Report

Donors have the ability to make an impact at every gift level in accordance with their philanthropic wishes and priorities. There are three distinct directions to which donors can direct their gifts and all are critical to our mission: Annual Fund, the Boldly Beyond Initiatives and the SFS Foundation.

Gifts to the Annual Fund are generally used in the current school year to help relieve the operating budget. A donor may designate their gift to their area of interest. The gift will be used to support the day to day excellence that continues to make St. Francis the premier school of choice for young men in the Greater Toledo area. Gifts of all amounts are important and appreciated.

A gift to the Boldly Beyond Initiatives broadens and strengthens the mission of St. Francis de Sales School. A gift to these Initiatives, be it for Salesian Leadership, Tuition Assistance, Facilities, Programmatic Initiatives helps insure that St. Francis continues to create and provide a distinguished and individual learning environment that is unique to St. Francis. A gift directed toward the Boldly Beyond Initiatives will generally be utilized over a specific period of years.

Gifts to the Foundation ensure the long-term sustainability of Catholic Education at St. Francis de Sales School.

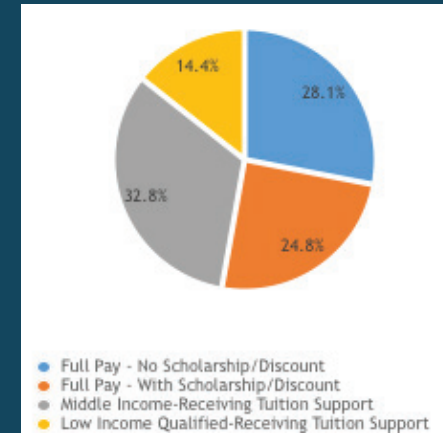

An investment in the Foundation relieves the dependence on raising significant annual operating support. Gifts to the Foundation are generally held in perpetuity and invested to provide an annual income stream for the benefit of St. Francis and its students. Foundation gifts may be used for unrestricted support or may be used to establish a named fund to provide support for a specific purpose directed by the Donor. Memorial, Estate, and deferred gifts are generally directed to the Foundation to ensure that all young men have the opportunity to attend St. Francis and not be hindered by financial limitations.

A significant portion of the Annual Fund and annual budget support is allocated towards tuition support. The chart below represents how many of our young men are the grateful beneficiaries of your generosity and financial support. Without your support, many deserving young men would not be able to receive a Knight education and make a difference in the world.

Editor's Note: Every effort was made to ensure the donors who support St. Francis de Sales School and its mission to educate Christian gentlemen, are appropriately recognized for their generosity, foresight, and commitment. Included in this list are donors who have made contributions to St. Francis de Sales School between July 1, 2016 and June 30, 2017. If you have not received proper recognition for your gift in this annual report, please accept our sincere apologies and notify the Office of Advancement at 419-214-5440 so that we can correct our records. Thank you.

TOTAL 2016-2017

Giving Summary

The Total 2016-2017 Giving Summary includes all gifts made to the Annual, Capital, Boldly Beyond Initiatives and Planned Giving platforms.

St. Francis de Sales School is supported by alumni, parents, friends, and business and community leaders through gifts to the Annual Fund, Capital Giving, Boldly Beyond Initiatives as well as Endowed Funds and Planned Giving to the Foundation. Annual gifts, event income, and interest generated from the endowment fund, enable St. Francis to meet its more pressing needs by funding a portion of the School's annual operating budget.

Donor support is critical to the School's ability to maintain the excellence of a Knight education for this and future generations of young men. St. Francis de Sales School is most grateful for the kind generosity of its donors and benefactors, past, present and future.

"My wife, Sue, and I humbly give every year in gratitude and honor of my Dad and the investment that my parents made to educate their sons. My brothers, Nick and Tony, my sons Paolo and Angelo, have benefited from values that SFS reinforces based on the foundation my parents have laid. Giving annually to SFS impacts young men's lives in a positive way immediately through tuition relief and creates long term opportunities through an education."

"As a student, St. Francis prepared me very well for college and helped make me the person I am today. As a teacher, I see the school continue to make a difference in young men's lives year after year. I choose to donate to St. Francis to help make sure that the next generation of Knights can continue to receive an outstanding education and have the same opportunities that I had."

"When the time came for me to decide on what high school to attend as an eighth grade student, I had no family ties or connections to any school in Toledo. The moment I entered St. Francis, and the moment I left with my diploma, both consisted of a feeling that I have never felt anywhere else: that this is a place that can push me to be better every single day.

Today, I find myself giving back because I can say with all the confidence in the world, without that push, I would not be where I am today. Deciding to attend St. Francis as an eighth grader was, and still is, the best decision I have ever made. Not a day goes by where I do not remind myself of that in one form or another--whether that means through giving a little, reaching out to an old teacher, or checking in on the social media pages."

St Francis de Sales Foundation Endowed Funds

Endowment gifts are essential to ensuring the long-term financial health of the School. Gifts to the Endowment Fund are invested by the School and the income from the gift is directed toward a purpose selected by the donor. Only the income from the principal is expended in accordance with the School's spending rule, so that the gift continues in perpetuity, helping to safeguard SFS's tradition of excellence against changing economic climates.

In accordance with both the donor's wishes and the School's needs, gifts to the Endowment Fund support a variety of institutional needs. A large percentage of the Endowed Funds help provide tuition assistance for many of our young men. Gifts of \$10,000 or more can be made to the Endowment Fund for the benefit of the School in respect of any one of a number of areas. Additionally, for gifts of \$25,000 or more, a named fund within the Endowment Fund may be established.

Knight Legacy Guild

The mission of St. Francis de Sales School has always been supported by the generosity of our many alumni and friends, for which we are profoundly grateful. The Knight Legacy Guild was established to recognize those who have committed themselves to planned or deferred gifts for the benefit of the School. These gifts enable continued life-changing opportunities for young men, ensuring the ongoing fulfillment of our mission, and help further the mission of St. Francis de Sales School.

As an expression of the School's profound gratitude for their generosity, members of the Knight Legacy Guild receive:

- A personalized certificate of membership
- Invitations to other special events and programs
- Listing in the Annual Report

Oblate History

The Oblate Fathers were founded in 1876 by Father Louis Brisson at the encouragement of Sister Mary de Sales Chappuis. While the Oblate roots stem from France, the religious order migrated to Holland, Germany, Austria, and Switzerland in the late 1800s. It was in 1893 when the Oblates first settled in the United States, first in New York and later in Wilmington, Delaware. It was here that the first permanent Oblate community and school were established. Toledo became home to the Oblates in 1943 when seven Oblates accepted faculty positions at Central Catholic High School.

Central had a serious crowding problem and Bishop George Rehring was interested in providing an all-boy high school for the community. (There were already two all-girl high school options available.) He asked the Oblates if they would be willing to take on this challenge. The Oblates agreed to build, maintain, and staff the school. St. Francis de Sales High School opened its doors to 290 freshman and sophomore students on September 14, 1955.

1955 Oblate photo from left to right: Fr. Robert Flecksteiner, OSFS, Fr. Walter Dean, OSFS, Fr. William Wharton, OSFS, Fr. John Fuqua, OSFS, Fr. George Palmer, OSFS, Fr. Charles Herkert, OSFS, Fr. Francis Gross, OSFS, Fr. Salvatore D'Angelo, OSFS, and Fr. William Ward, OSFS.

On the cover are some of our altruistic alumni and local leaders as well as a few of our students and priests who attended our Inaugural Global Salesian Leadership Symposium. These alumni and leaders of our community presented to our students at a day on learning of leadership qualities rooted in the teachings of St. Francis de Sales. Pictured on the cover are in Row 1: Jeffrey M. Malamad, '71 Samuel J. Jordan, '18, Christopher B. Syeh, '18, Rev. Alan D. Zobler OSFS, '97 and Luis A. Santiago, '82. Pictured in Row 2 are: Ryan J. Marshall, '86, Justin M. Schnebelen, '18 and Joseph Napoli. Pictured in Row 3 are: Maurice D. Sturdivant, '18 and Roland C. Warren, '79. Pictured in Row 4 are: Joshua T. Harder, '18, Rev. Joseph A. Newman OSFS, '03, Robert K. Faught, '66 and Colin R. Flanagan, '18. Pictured in Row 5 are: Thomas E. Gouttierre, '58, Rev. Ronald W. Olszewski OSFS, '62, Cole F. Grisier, '18 and Rev. Geoffrey N. Rose OSFS. Alumni and local leaders not pictured who presented are Randy Ostra, Eric G. Savage, '88, Jeffrey D. Smith, '91 and Robert L. Voyles, '75.
